Re: Ex Parte Contact  
In the Matter of AT&T Corp. v. Sprint Spectrum d/b/a Sprint PCS, WT Docket No. 01-316

Dear Ms. Dortch:

On Tuesday June 11, 2002 and on Wednesday June 12, 2002, I had telephone conversations with Dorothy Attwood, Chief of the Wireline Competition Bureau, to discuss issues related to the foregoing proceeding. I reiterated AT&T's view that the Commission should deny Sprint's petition to permit it to selectively avail itself of regulation in order to recover access charges and grant AT&T's petition for declaratory ruling that the traditional bill and keep regime should be applied towards the disputed minutes. I stressed the need for the Commission to rule that only express agreements are permitted in this environment otherwise the Commission may find itself in the position of having to regulate wireless access charges. The positions expressed were consistent with those contained in the Comments and ex parte filings previously made in that proceeding.

One copy of this Notice is being submitted for each of the referenced proceedings in accordance with the Commission's rules.

Very truly yours,
